Sir:

In accordance with the duty of disclosure under 37 C.F.R. §1.56 and §§1.97-1.98, Applicants hereby submit a copy of an Examination Report that issued in United Kingdom Application GB0423856.4, and documents cited therein not already provided to the Office in this matter. The Examiner is invited to review the Examination Report to inspect the relevance indicated during examination with respect to the documents cited therein.

The following documents are cited in the UK Examination Report and have not previously been provided to the Office in this matter:

WO 2003/035621; and

Gebauer-Fülneegg and Glückmann, Monatshefte fuer Chemie Vol. 53-54: pp. 100-110 (1929).

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that each or all of the listed documents are material or constitute "prior art." If the Examiner applies any of the listed documents as prior art against any claims in the application and Applicants determine that the cited documents do not constitute "prior art" under United States law, applicant reserves the right to present to the office the relevant facts and law regarding the appropriate status of such documents.

Applicant further reserves the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should one or more of the documents be applied against the claims of the present application.

Applicant submits that no fee should be due for consideration of this Statement. However, if the Office requires any fee for its consideration, authorization is given to charge deposit Account No. 19-0089.

Should the Examiner have any questions, the Examiner is invited to contact the undersigned at the below-listed telephone number.

Respectfully Submitted,  
Susumu MUTO et al.
